We, the Senior Class of 1971, affectionately dedicate this issue of the Green Lantern to Mr. Larry G. Howard. Many have stood behind us as we moved up the steps of life, but in our hearts we knew that this person believed in us for what we were and not for what we should be. For this reason, we have come to know and appreciate Mr. Howard. He has defended us in times of trouble and has brought us through our last two years of high school believing that we can do anything if we put forth enough effort. To him, each and everyone of us extend our hearty thanks.

**In
Memory
Of
Roger Wayne Meyers**

Born: September 25, 1951

Died: May 11, 1970

Strange that I did not know him then,
That friend of mine!
I did not even show him then
One friendly sign;
But cursed him for the ways he had
To make me see
My envy of the praise he had
For praising me.
I would have rid the earth of him
Once, in my pride! . . .
I never knew the worth of him
Until he died.
